Notice: The PORV Upgrade Kit provides the D-3 or D-4 PORV and the required fittings to upgrade existing conventional deluge trim that utilized the C-1 PORV. Each kit includes the necessary fittings to install the D-3 or D-4 PORV onto any size Straight Through or Angle Style Deluge Valve.

There will be fittings included in the kit that are not required for certain valve installations. Consult Tables 1 and 2, and Figures 1-4 for details.

Part Numbers:

For Angle Style Valves: Galvanized - 14869-1, Brass - 14869-2

For Straight Through Valves: Galvanized - 14870-1, Brass - 14870-2
