

Viking SupplyNet Announces Opening of New San Antonio Distribution Center

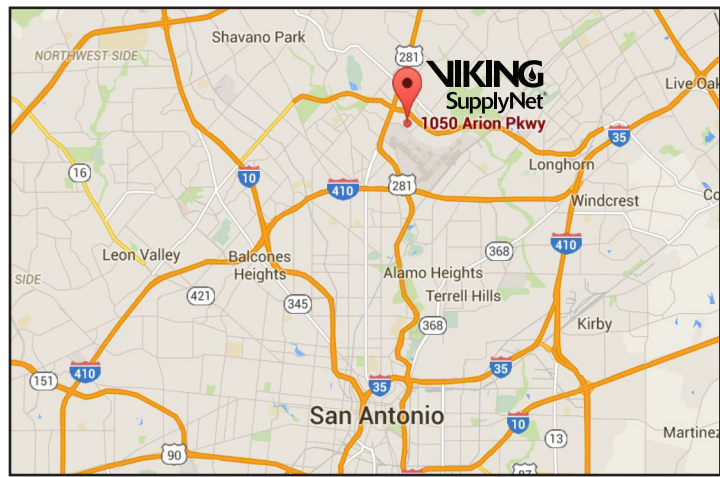

Viking SupplyNet proudly announces its newest U.S. location, serving the San Antonio/Austin region. The new facility provides both product delivery and convenient customer pick-up service for this rapidly growing Texas market.

Located near the San Antonio International Airport, the new distribution facility enables Viking SupplyNet to offer fast, dependable, and accessible service to fire sprinkler contractors in a wide geographic area. Like all Viking SupplyNet locations, it will provide the broadest selection of quality fire protection products and services, operational excellence, and outstanding customer support.

The new San Antonio branch is the 31st Viking SupplyNet location in North America and third in Texas, complementing existing distribution and fabrication locations in Dallas and Houston. A complete list of Viking SupplyNet facilities worldwide can be found at www.vikinggroupinc.com/locations.
