Important Pricing Announcement

To Our Valued Customers:

Viking SupplyNet is committed to delivering you quality products that minimize your total installed costs. As a result of recent, escalating costs from our suppliers largely due to implementation of the 10% 301 tariff on September 24, 2018, we are adjusting list prices on the following product lines:

Manufacturer	Products	Average Increase	Effective Date
NIBCO, Inc.	Fire Protection Valves	3%	October 6, 2018
NIBCO, Inc.	Specialty Valves and Parts	10%	October 6, 2018
Smith-Cooper International®	FPPI Hangers, Gaskets, Valves & Accessories	10%	October 6, 2018
Quality Pipe Products, Inc.	Imported Brass fittings and Thread-Rite Nipples	10%	October 6, 2018
Anvil Star	Malleable Iron, Cast Iron, Ductile Iron, Welded Steel Nipples, Grooved Fire Products, and Fire Protection O-Lets	10%	October 6, 2018
Napac, Inc.	Imported Flange Fittings	10-12%	October 6, 2018
Watts, Ames Fire, Febco	Backflow and Valve Products	12%	November 3, 2018
Tremco	All Products	4%	November 3, 2018

We appreciate your business and trust that you will continue to find the combination of our quality products and outstanding service an exceptional value for your business.

Sincerely,

Viking SupplyNet
