

December 7, 2021

To Our Valued Customer:

As a result of continued raw material cost pressures on finished goods throughout the industry, Viking Plastics and the Viking Corporation will implement a price increase of 7% for all U.S. business regions.

This price adjustment will impact all Viking Plastics CPVC pipe and fittings effective January 10, 2022. To receive current pricing on CPVC products, orders must be accepted prior to the close of business on Friday, January 7 and scheduled for shipment on or before Monday, January 31, 2022.

Additionally, this price adjustment will impact Viking's complete line of fire sprinklers, valves, systems and related devices effective February 7, 2022. To receive current pricing on these products, orders must be accepted prior to the close of business on Friday, February 4 and scheduled for shipment on or before Monday, February 28.

Thank you for your business and support during this challenging year. Our teams across the organization are working hard to maintain product availability, provide best-in-class customer support, and offer unrivaled technical resources. Your ongoing business is truly appreciated, and we look forward to working with you in 2022.

Sincerely,

The Viking Corporation
