## Important Pricing Announcement

To Our Valued Customers:

Viking SupplyNet is committed to delivering you quality products that minimize your total installed costs. Due to increased volatility associated with the import shipping lanes and the ensuing escalating costs from our suppliers, we are adjusting list prices on the following product lines:

Manufacturer	Products	Average Increase	Effective Date
ASC Engineered Solutions	Strut Channel Only	8%	Immediately

The product increase above will be effective immediately, superseding the previous announcement from August 3, 2021.

We appreciate your business and trust that you will find the combination of our quality products and outstanding service an exceptional value for your business.

Sincerely,

Viking SupplyNet
