## **Important Pricing Announcement**

To Our Valued Customers:

Viking has received notice from our supplier, Lubrizol, that they are increasing our costs for the BlazeMaster® resin used to produce CPVC pipe and fittings. As a result, effective September 9, 2021, Viking SupplyNet will increase the current List Prices for its Viking BlazeMaster CPVC pipe and fittings by 7%.

We appreciate your business and trust that you will find the combination of our quality products and outstanding service an exceptional value for your business.

Sincerely,

Viking SupplyNet
